 - Address: 1001 Kingwood Street Suite 114 Brainerd, MN 56401

What to expect during auditions?

- The audition is conducted in small groups, up to six singers at a time
- Singers will sing warmup patterns along with the piano to assess pitch matching and check range
- Singers will also sing one of the following songs: 'Happy Birthday' or 'My Country 'Tis of Thee'

Choir Placement:

This audition process will determine where the singer will fit best based on their age, personality, and musical aptitude. The Legacy Youth Chorale is an educational program – it is not the expectation that singers are “perfect” in their audition. We are looking for young people who love to sing and are ready to commit to a fun learning experience.

The cost of participation in the Legacy Youth Chorale for the full 2025-26 season is approximately \$200 per member of Choristers and \$250 per member of Concert Choir. We are pleased to offer these rates to families, as many programs like ours around the state cost much more – typically \$500+. We are able to offer a more affordable rate with the support of grants, business sponsorships, fundraisers, and the generosity of individual donors. *Flexible payment plans are available to support family budgets, and no singer is ever turned away because of finances.*
